Final Warning: The End Has Come George Jenkins

The purpose of “Final Warning,” is to open our eyes to all that is going on around us, to see how close to the end we really are. “Final Warning,” is written for the millions unknowingly ensnared in a world of doctrinal error. Errors introduced by the unscrupulous. Their coming was prophesied throughout the Bible. It combats a current wave of extremism plaguing the church. Is the beast and false prophet of Revelation already in our midst? YES! Are his counterfeits all around us today? YES! Are they in our churches? YES! Where can they be found? How can we protect ourselves from the lies of the enemy? How can we know if the manifestations we are experiencing in our church meetings is God’s best? How can we know if what are hearing from our pulpits is from the heart of God? People will want to read this work because it addresses all current manifestations, in the churches today, from an angle of the mysterious. Due to the writing style, they will want to read more. From beginning to end the plot unfolds, by crescendo, in the light of Scripture. As its main theme, “Final Warning,” is to sound an alarm to every church going person around the globe. (Joel 2:1) It offers a clear insight into how to identify false, apostles, prophets and teachers. (Jude 4) It provides Scriptural benchmarks for people to identify wrong doctrine. It proposes a way of escape from all that has been foretold would come upon the world. (Hebrews 2:3) Its message is one of truth in love and not end times fear mongering! “Final Warning,” brings a twist of difference that other books of its kind does not have. It follows clues through the Bible, exposing a clear, common denominator, to all the extremist, ideologies, running rampant through the church. It exposes this catalyst in the clearest possible terms. No other writer has followed, the trail of the common denominator, in a systematic way, as this book does. From beginning to end it pursues, definitive Scriptural links, exposing the source of all error infesting the church today. It calls upon the reader to return to the full counsel of God and earnestly contend for the faith, given to us long ago. (Acts 20:27, Jude 3) This work was created for all Christian readers, regardless of age or their development in Christ. Churches of every denomination, ministries, and Bible colleges, anyone with a love for Christ may read this work. Northern Ireland, since their history would be an ideal target market. Canada, because this nation to a large degree, threads all the way through the book, would also be a superb audience. The United States of America would also voice an interest because some of the ministries cited find their home there. Beyond a doubt, this book will have a major impact upon the reader. Some will be delighted others will be angered by it. In any event, most will read it to see what is being said in our day and hour about their church. When one comes face-to-face with Jesus, one of two things takes place. They either accept Him or reject Him. In like manner, this book will be received by the audience. Those who embrace the truth in love contained in this book, will find deep and lasting change. That change will then overspread their communities, having a positive impact. Because the content is intended to startle and challenge the reader, great discussions will ensue. Should they discover their church caught in error, they will also want their families, trapped in the same arena, to find freedom. Even others will discuss the book because they may feel it, an offence against their beliefs. This too, will generate discussions and others will get the book to see it for themselves. In the end, “Final Warning,” offers the reader the opportunity to come to Jesus! As they come to that decision, they will realize, the last great finale, of the church on earth, has begun!
