You could find yourself alone in a remote area—possibly enemy territory— with little or no personal gear. This manual provides information and describes basic techniques to enable you to survive and return alive should you find yourself in such a situation.

If you are a trainer, use the information in this manual as a base on which to build survival training.

Improvise

In the United States, we have items available for all our needs. Many of these items are cheap to replace when damaged. Our easy come, easy go, easy-to-replace culture makes it unnecessary for us to improvise. This inexperience in improvisation can be an enemy in a survival situation. Learn to improvise.
