The Madhouse Elite: Epiphany Kim Bethenny

Set in the mid-1980's in a small American coastal town, a troubled teen with a flair for the mystique is cast into a world of sex, love, and illusion. In search of the lesser evil, she's a victim of child-trafficking, and a spiritual death. An escape gets her committed. Now, she's the target of a sociopath's affection, with high criminal hopes. Brainwashed, dark fragments of memory cause chaos, and she petitions God with prayer... 'Madhouse' is a diabolical account of a memory unrecovered - a mind undone - from madness to mayhem, and back again. *Advisory - Graphic content.
