Elementary Algebra (Available 2011 Titles Enhanced Web Assign) Jerome E. Kaufmann, Karen L. Schwitters

Kaufmann and Schwitters have built this text's reputation on clear and concise exposition, numerous examples, and plentiful problem sets. This traditional text consistently reinforces the following common thread: learn a skill; practice the skill to help solve equations; and then apply what you have learned to solve application problems. This simple, straightforward approach has helped many students grasp and apply fundamental problem solving skills necessary for future mathematics courses. Algebraic ideas are developed in a logical sequence, and in an easy-to-read manner, without excessive vocabulary and formalism. The open and uncluttered design helps keep students focused on the concepts while minimizing distractions. Problems and examples reference a broad range of topics, as well as career areas such as electronics, mechanics, and health, showing students that mathematics is part of everyday life. The text's resource package--anchored by Enhanced WebAssign, an online homework management tool--saves instructors time while also providing additional help and skill-building practice for students outside of class.

From reader reviews:

Rebecca Morales:

Book is usually written, printed, or outlined for everything. You can learn everything you want by a book. Book has a different type. We all know that that book is important thing to bring us around the world. Adjacent to that you can your reading expertise was fluently. A publication Elementary Algebra (Available 2011 Titles Enhanced Web Assign) will make you to end up being smarter. You can feel much more confidence if you can know about almost everything. But some of you think in which open or reading some sort of book make you bored. It isn't make you fun. Why they can be thought like that? Have you seeking best book or ideal book with you?

Brett Baker:

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just small students that has reading's heart or real their hobby. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring in addition to can't see colorful photographs on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Elementary Algebra (Available 2011 Titles Enhanced Web Assign) can make you experience more interested to read.

Angela Souther:

What is your hobby? Have you heard that question when you got students? We believe that that issue was given by teacher for their students. Many kinds of hobby, Every person has different hobby. And you know that little person such as reading or as studying become their hobby. You should know that reading is very important and book as to be the thing. Book is important thing to add you knowledge, except your own teacher or lecturer. You discover good news or update with regards to something by book. Many kinds of books that can you choose to adopt be your object. One of them is Elementary Algebra (Available 2011 Titles Enhanced Web Assign).

George Williams:

Reading a publication make you to get more knowledge from that. You can take knowledge and information originating from a book. Book is created or printed or outlined from each source this filled update of news. In this particular modern era like today, many ways to get information are available for an individual. From media social just like newspaper, magazines, science reserve, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Are you hip to spend your spare time to spread out your book? Or just looking for the Elementary Algebra (Available 2011 Titles Enhanced Web Assign) when you required it?
