STUDENT QUOTES

WileyPLUS is an amazing tool, I just wish it was available for all my classes!

- Filiz Muharrem, Ohio State University

I loved the immediate response to homework problems and exams. I was able to find out what errors I had made, and go back to the chapters to research why I made the error. It made my learning much easier!

- Theresa Klicker, University of Maryland, University College

Everything I needed was just a click away...that's how fast and simple it was. If I needed immediate help and I didn't understand a concept, it told me where to look.

- Caroline Cho, University of Texas-Austin

I felt WileyPLUS was a useful tool in understanding the chapters/problems. The link-to-text tool was very resourceful when solving the homework problems.

- Michael Geisheimer, Kean University

I was quite impressed with WileyPLUS. It was nice to be able to see what I did wrong and have more than one chance to answer a problem.

- Melinda Beach, Washburn University

ABOUT THIS BOOK

The eleventh edition of Principles of Anatomy and Physiology marks a new milestone in the publication of the phenomenally successful Principles of Anatomy and Physiology. Bryan Derrickson of Valencia Community College in Orlando, Florida joins Jerry Tortora as a co-author, bringing his background and expertise in physiology in balance with Jerry's focus on anatomy. The authors have maintained in the text the superb balance between structure and function and continue to emphasize the correlations between normal physiology and pathophysiology, normal anatomy and pathology, and homeostasis and homeostatic imbalances. The acclaimed illustration program is now even better thanks to the input of hundreds of professors and students and the re-development of many of the figures depicting the toughest topics for students to grasp. The eleventh edition now fully integrates this exceptional text with a host of innovative electronic media, setting the standard once again for a rewarding and successful classroom experience for both students and instructors.
