Teach Us to Pray: Prayer in the Bible and the World

In almost 500 years of evangelical praying, there has never been a book like this. "Teach Us to Pray" is in effect four books in one. It begins with a detailed analysis of the biblical theology of prayer, surveying each part of the Scriptures in turn. Next comes an investigation of prayer and spirituality within Hinduism, Buddhism, Islam, historic Christianity (Puritanism) and a different Christian contemporary tradition (Roman Catholicism). In addition, expert commentators offer "Lessons in Prayer from the Worldwide Church" featuring Korea, China, Latin America and Africa. Finally a group of Christian leaders write about prayer in their individual experience, adding a personal dimension to this comprehensive book. This is a full library on the subject of prayer, conserving the best insights of the past and breaking new ground with penetrating original thinking.
