**The Misunderstood God: The Lies Religion Tells About God** Darin Hufford

THE MISUNDERSTOOD GOD tells the truth about who the Creator is. This book analyzes what religion says about God's heart and personality and measures it up to what God calls Himself: Love. It simplifies a generation's tangled perceptions of God by taking a journey through the sixteen aspects of love described in one of the most well-known Bible passages in the world: 1 Corinthians 13, also known as "the love chapter." So many Christians have been bombarded with confusing teachings and doctrines that their understanding of God resembles a tightly tangled ball of Christmas tree lights. This book takes that twisted mess and replaces it with one soft, warm light of truth that anyone can embrace: God is love.
