Hello sexy wine people of the world!

My name is Tom, and I'm here to reveal to you the 7 Wine Secrets You Wish You Knew.

Have you ever wondered which wine pairs well with Chinese food or Pizza? Or how about turkey, lasagna or pasta carbonara? Choosing wines for fish, chicken and beef is easy, but what do you choose when your dinner recipes are a little more complicated? **That's why you need to download this book!**

Here is a preview of what you will learn...

- Help you to reveal which wines you will enjoy
- Help you to choose the best wines to pair with food
- Help you to select great wines from a restaurants wine list or a wine store
- And so much more!

From the hot and bold Chardonnays of California to the beautiful and elegant Champagne and Bordeaux regions of France, the info in this book will give you the power to choose great wines with confidence, every time.

From one wine geek to another, you don't need to be a wine expert to choose great wines. But, you do need to download this book. Unless you actually like to translate maps and analyze the weather patterns of wine regions to try to figure out the precise acidity level of a wine to see if it will pair well with the pasta carbonara you plan on making tonight, lol!

Impress your friends! Choose great wines with confidence! What are you waiting for? **Take action now and get this Kindle book for free! Download today!**
