Sheltered and lonely, Jon's life changes drastically when a strange ship sails into the harbour of his small port town one day. Trapped between the possessive pirate captain and his murderous first mate, he must learn to adapt or he will lose himself completely. An epic tale of love, treachery and revelation, this first installment of the Baal's Heart trilogy brings you into the lives of three men so bound together by jealousy and lies that they must sail to the very ends of the earth to find forgiveness. Deckard's first novel is a masterful portrayal of sorrow, hope, and passion, with a narrative that twists the reader through an alternate world set in the Golden Age of Piracy. A thrilling look into the darker side of human nature, Caged effortlessly melds serious historical fantasy with five star erotica.
