I Oprahed Susan Kelley

Women's Nonfiction/Humor/Memoir Author and humorist Susan Kelley has always had her finger on the pulse of the issues closest to women's hearts. In the 1980s she wrote a bestselling send-up of rules for the "liberated" and feminist myths: *Real Women Send Flowers*. In the 1990s and 2000s, in a more serious vein, she wrote about relationships: *Why Men Commit*; *Why Men Stray/Why Men Stay*; and *The Second Time Around: Everything You Need to Know to Make Your Remarriage Happy*. Now Susan Kelley turns her attention to more personal matters: her own experiences balancing a career as a writer and relationship expert (including an appearance on Oprah); a trip to an AC/DC concert in Paris; living as an ex-pat in Florence, Italy; marriage to a well known painter; mother- and grandmotherhood; and the travails of aging in a youth-oriented culture. The result is *I OPRAHED*, a collection of loosely linked essays that feature her trademark hilarity and empathy.

Robert Hill:

As a college student exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this I Oprahed can make you feel more interested to read.
