**Shame (The Ruin Series, Book 3)** Rachel Van Dyken

#1 New York Times Bestselling author Rachel Van Dyken, brings you the third and final book in the internationally best selling Ruin series. This is a stand alone novel.

Everything done in darkness, will eventually be brought into the light.

I ran, but all it did was keep me one step ahead of my past. I tried to start over; new name, new identity. But you can't change your soul.

A fresh start at college was just what I needed. For a while, it worked. I was the party girl, the one that seemed confident, but it was a lie.

When guys kissed me--I felt only pain.?

When they touched me--Nothing but fear.

Deep inside, every girl wants to be the beauty in the story, to find someone that will see you as their world.?

But the truth? I was the beast. And as much as I wanted redemption, I wasn't fool enough to think I'd ever get it.?

Until he walked into my life.

I wasn't prepared to fall for someone. My scars were too deep, the wounds too raw. But he offered me peace, he offered me security. I should have known it was just another lie--I should have known that falling in love with my professor was a bad idea.

But I was powerless to stop myself from falling.?

And he was powerless to catch me.

Because the darkness finally caught up to me, and as fate would have it, a cruel twist almost bled me dry. But I'm stronger than I knew. I'm stronger than you think.

You think you know my story, but you don't....after all everyone has Shame in their lives-- and I'm no longer afraid to show you mine.
