A New Concordance of the Old Testament Using the Hebrew and Aramaic Text (English and Hebrew Edition)

A New Concordance of the Old Testament Using the Hebrew and Aramaic Text (English and Hebrew Edition)

A New Concordance of the Old Testament: Innovative, readable, and current best describe Even-Shoshan's New Concordance. This unique edition makes the concordance accessible to the English-speaking student, scholar, and clergyman. When compared with its predecessors, only a few of which remain in print, the New Concordance's innovations abound. (The Journal of Biblical Literature enumerates twelve.) Each entry word is followed by lists, in Hebrew, of (1) basic meanings, (2) related words, and (3) combined forms in which the word appears. Then comes the listing of each appearance of the word, with context and in canonical order. These Hebrew "quotations" are numbered, and the editor puts these numbers to good use. Each of the basic meanings for the entry word is followed by numbers indicating the instances in which the word bears this meaning. And each combined form similarly is succeeded by numbers directing one to the passages in which it appears. These features alone make the New Concordance the single most powerful tool for studying the Old Testament. All Hebrew and Aramaic text is typeset in an eminently readable face and is fully pointed. The form of the Old Testament text reflected in this concordance is, of course, far more current than that of nineteenth-century works still being reprinted. This edition of the New Concordance contains a booklet with a full-length introduction and guide to using the concordance. It also includes a card displaying common abbreviations. This invaluable booklet and card, designed for those more fluent in English than in Hebrew, can be obtained only with this edition.----Abraham Even-Shoshan, an Israeli scholar, has earned renown for his series of Hebrew-Hebrew dictionaries, culminating in the seven-volume Hammillon Hehadas (1966-1970). John H. Sailhamer is associate professor of Old Testament and Semitic languages at Trinity Evangelical Divinity School.
