Patient Assessment in Pharmacy Practice Rhonda M. Jones Pharm D

Develop the patient assessment and clinical skills you need with the Third Edition of *Patient Assessment in Pharmacy Practice*. The only patient assessment text in the field written specifically for pharmacy students, this practical book relates patient assessment and clinical skills to pharmacy practice. To help readers correlate signs and symptoms of possible diseases, the book includes vital information on basic anatomy and physiology, pathology, and system assessment through interview, communication, and physical exams.

Now a “one-stop shop” for assessment and clinical skills development, the companion eBook features 23 patient assessment video clips. Unlike other assessment videos that depict assessments in a doctor’s office, these videos depict assessments in pharmacist-specific practice settings.
