**Santas y Putas (Spanish Edition)** javier ramirez viera

Basado en hechos 100% reales, Santas y putas es una dura crítica y documento social sobre la vida de pareja, y tanto mientras esta dura como tras el desenlace de un divorcio. Multitud de situaciones y verdades auténticas o falseadas, según el punto de vista de cada cual, desgranarán muy variopintas situaciones en las que muchas lectoras y muchos lectores se verán reconocidos, concretando un desenlace que lamentablemente vivimos más a menudo de lo deseable. Combina ideales machistas y feministas desde sus dos vertientes de uso, tanto para el provecho como el reproche, así como escenas de sexo muy fuertes. En el prólogo se habla de forma concisa de que es un libro para reírnos se tontas y tontos, en sus vaivenes amorosos y cachondos, en sus aciertos y errores, en el juego eterno de la caza de amores.
