When Caris's unearthly musical talent attracts the attention of the Wild Hunt, the Welsh farm girl is stolen away to serve as a faery grim, a herald of death. Two centuries later, she's finally escaped back to the human world—and into the present-day life of a reclusive and heartbroken American musician.

Music was Liam's whole life—until a crushing betrayal left him desperate to flee the public eye. Yet long-dormant passions awaken within him after a powerful storm strands a beautiful, strong-willed woman on his isolated farm. When a fae prince bent on ruling both human and faery realms threatens Caris's life, Liam must decide if he can finally believe in love again, not just for her sake—but for the sake of two worlds.

From the bestselling author of *Changeling Moon*, this sweeping and passionate story of paranormal romance follows two souls from different centuries who lost everything...and found that only love can save them.
