The Magpie Murders Marilyn Z. Gaston

The small town of Branfield, Georgia, accustomed to its own slow pace and tranquility of life in the south, is shocked with the news of a heinous, unspeakable crime at a local medical center. The victim, unable to communicate, lies mute and bedridden--and her only neighboring tenant, a woman with Alzheimer's, may be the only person holding the key to solving the mystery of the motive--that is, until she herself falls prey to a horrible assailant.

It falls to the "outsider," Sheriff Al Thompkins, a man with his own dark past haunting him, to uncover the many secrets buried in history that may unravel the brutal crimes. His journey reaches into the lives of others whose stories seem unconnected, but in fact lead him along a path of discovery that has a remarkable ending. Along the way he is forced to confront his own personal guilt and the ghosts of memories he cannot erase from his life. Soon he realizes that the danger is still with them all, and only he can find the answers that will stop the fear and end the terrible vengeance.
