2016 Grades 7-12 Test Prep Bundle for WISC® The Critical Thinking Company

The WISC®-IV (Wechsler Intelligence Scale for Children®), is often used as an entrance exam for gifted and talented programs and as part of the entrance process at private schools. The WISC®-IV was written by David Wechsler and is published by NCS Pearson, Inc. (previously Harcourt Assessment, Inc./The Psychological Corporation).

The WISC® assessment assesses skills and abilities, rather than grade-level knowledge. The test's propensity toward skills and abilities make for a test-taking experience that is unlike the statewide exams and nationally normed tests that are familiar to most students. Thus, preparing for the types of items encountered on the WISC® assessment is essential.

The contents of this bundle were carefully selected to ensure coverage of material tested on the Wechsler Intelligence Scale for Children® (WISC-IV®). Each activity requires students to analyze, synthesize, and apply what they learn. The more students think about what they are learning, the more students understand what they are learning. There is no need for an expensive tutor with a resource for the WISC-IV® like this selection of books.

The Critical Thinking Company is recommended by Mensa, Learning Magazine, The Well Trained Mind, Dr. Toy, Creative Child Magazine, and used by Sylvan Learning Centers, Club Z In-Home Tutoring, leading U.S. public schools, and gifted and talented programs in 57 countries throughout the world. They guarantee better grades and higher test scores.

Titles included in this bundle are:

Mind Benders® Books 5 and 6

Word Roots B1 and B2

Building Thinking Skills® Level 3 Figural

Building Thinking Skills® Level 3 Verbal
