Art 5 for young catholic is a book written to enhance the understanding and appreciation of the Catholic principles that went into the techniques of religious art. The theme of the book is the fifteen mysterious of the Rosary, as presented through the art timeline in the history of Christianity. The book is divided into two sections: western art and Byzantine art. The section of Western art includes at least five depictions of each mystery in an attempt to show the development of style and design through ages. The explanations emphasize the symbolism and content of the picture, while the artistic techniques are secondary. The Byzantine section explains some of the better-known icons of the Eastern tradition as well as icons that correspond to the mysteries of Rosary. This section was written by an Eastern-Rite priest, Father Constantine. Father has beautifully unveiled the meaning of the rich symbolism so mysterious to most Catholics. All scriptural quotes are taken from the Douay-Rheims Bible.
