Digital Family Photography

Michael Wright

Digital Family Photography Michael Wright

This book offers comprehensive and easy-to-follow advice on how to make the most of "people pictures" of all kinds: from simple but essential techniques to more advanced and challenging projects. People and families are easily the most popular subject for photographers, be it by traditional film or digital photography. "Digital Family Photography" embraces both image capture and post-production techniques, with the emphasis on working digitally. With full-color and a portrait layout, the photos in the book are truly brought to life. Aimed at those new to photography, this book is useful for anyone who has been enticed by the value, quality, and efficiency that digital cameras have to offer.
