## Masterpieces of Victorian Erotica

There is no shortage of great works to compete for the title “masterpiece of Victorian erotica.” Indeed, as readers familiar with Dickens or Trollope can attest, the Victorians were nothing if not prolific. Yet to be a masterpiece, a work has to distinguish itself in many ways. It can be without equal in its subgenre or the apotheosis of its tradition. It can offer a deeper insight, a more vivid image, or a more surprising turn. Or it can be unique, truly peerless in its style, plot or execution. Having distinguished themselves in these ways, the works in this volume represent the very best of the Victorian erotic imagination. There’s poetry and prose, narrative and instructional guide; there’s fetish, queer, s-m, and vanilla; and there’s bawdy, tender and daring. For the newcomer to the Victorian erotic universe, these stories are the place to start. For the connoisseur, this collection offers undiscovered delicacies. For everyone, these stories cannot fail to arouse, stimulate and amaze with their delightful sexiness and bold originality.
