---ALL my books are written as standalone stories that can be enjoyed on their own!---

"Once again we are yearning for a new hotwife experience, but like always it has to be something harder, something new, something more. Yes, something more . . . and I've already watched Cynthia get taken by three men at once. . ."

So now here they are again, thirty-seven-year-old Cynthia and her husband. My, how things have changed over the past year! And they will keep changing as they seek a new thrill, pushing the boundaries of **menage** and **wife-sharing** to the point where once again he is watching his dear, sweet Cynthia get **airtight**.

The last time it was three waiters, and this time it will be four young, **aggressive**, hotshot lawyers who take Cynthia under the bright white lights of an eleventh-floor conference room, filling her **anally** and **orally**, from top and bottom, front and behind, while her husband **watches** . . .

Watches her with the lawyers.

This is a 25,000-word erotic book that contains graphic, explicit sex, including oral pleasure, and pleasure, and some wild menage combinations of four, five, and six people. You have been warned.
