Which is why it's wrong that his friend Mackenzie Hernandez is intent on giving herself a makeover.

Sure, Mac and her father have been reeling financially since her brother disappeared three years ago, and Lumberjacks management gives an annual scholarship that might get her life back on track, but he can't imagine anyone smarter, sexier, or more beautiful than Mac already is. He can't keep his hands off her--and the more they spend time together, the less he wants to. She's perfect as is.
