Crescent Moon (Nightcreature Book 4) Lori Handeland

From the author who brought you the RITA ® award winning BLUE MOON, comes another book in the USA Today Bestselling Nightcreature Novels!

For over a century there have been whispers of a werewolf in the Crescent City. The recent discovery of bodies in the Honey Island Swamp draws cryptozoologist, Diana Malone, to Louisiana.

Thrilled to have a chance to prove the impossible to the world, she is soon immersed in a world of danger, intrigue and murder. Something is killing the locals and though no one wants to tell what, Diana is determined to discover the secret.

When her first swamp guide turns up dead, sexy, reclusive former Special Forces officer, Adam Ruelle, offers his services. Diana accepts, though local legends label his Cajun family as cursed, deranged, even mad.

By night, Adam is everything she ever dreamed of in a lover. By day, Diana has her doubts. Is he helping her or distracting her? What is he hiding? Who is he protecting?
