Over the Top! (Commando)

Over the Top! (Commando)

A rousing anthology of adventures in the tradition of Commando comics

From the muddy trenches of Flanders to the bottom of the Mediterranean Sea and the deserts of the Middle East, this special collection of Commando stories from the World War I harkens back to a time when tales of bravery and honor in the face of terrible conditions were commonplace, as soldiers, sailors, submariners and airmen faced the most fiendish of enemies with stout hearts and stiff upper lips. Rip-roaring tales tell of bitter rivalries, regimental clashes, proven troublemakers coming good, the duel of heavy artillery and even the cunning use of a London omnibus on the battlefield.
