Middlemarch Capture, Book Three

Leo Mitchell wants to contribute to the operating expenses of the new family-run Middlemarch resort, which specializes in capture fantasies for female guests. Betrys Torin offers what Leo thinks is a wonderful opportunity, but in reality is potentially deadly. He hungers for revenge. A capture might be the perfect payback...

In order to protect her son, Betrys must procure men for her alien employer Iseult Orna. She hates her job and loathes the guilt she feels at trapping the sexy Leo into signing an irrevocable contract. Even worse, she has started dream walking and sharing passionate sex with the gorgeous man. She's smitten, yet knows they have no future, because when Iseult catches up with Leo, he'll die.

Inside scoop: Iseult's appetites for men are extreme. Because of that experience, shifter Leo starts out as a sourpuss, but Betrys knows he's just the cat's meow.

Reader Advisory: This story has graphic sexual language and scenes—no closed bedroom doors (or other rooms) here!
