He'll rev her up and drive her to the edge...

Rusty West swore she was done with men. Instead, she channeled her passion into West Restoration, the car shop she runs with her best friend and sister. But Rusty's aloof composure fades when the owner of the competition comes striding into her shop, over six feet of sexy, rough-edged confidence...hot enough to send Rusty's motor into overdrive.

Reid Parker worked his ass off to get what he wants - and what he wants is West Restoration and its crew. He never expected to find a shop of all-female mechanics...or the stunning redhead who ignites a lust that threatens his cool. But Reid plays carefully. He never, ever gets involved with a woman beyond one night.

And no matter how hot the sparks, Rusty will never compromise her business for a man...
