Thirteen-year-old Cherie starts her day on April 3rd like any other Saturday. Shopping, fun and friends are on the agenda, with only one slight alteration:

April 3rd is the day that the end of the world arrives.

Mysterious creatures known only as the Skins have been lurking in remote parts of the countryside, and April 3rd is the day that the Skins arrive in the big city for all to see. What follows is a horrifying discovery of what the creatures really are, and what that means for the future of the human race. Cherie is caught in the middle of the apocalypse with one mission in mind: to help her horrifyingly injured best friend find help. Her journey takes her to dark and gruesome places, where isolation, panic and death await.

Cherie will have to find strength within her fears to survive *The Day The World Ended*.

The much-anticipated horror series debut of Amazon bestselling author K.C. Finn has arrived. *The Day The World Ended* is a young adult horror novella, and the exciting prequel to full novel *The Skin Revolt*, releasing August 2015. Recommended for readers aged fourteen and above due to tense scenes, gore and violence.
