## **Roughing It by Mark Twain (1872) (World's Classics)** Mark Twain

Roughing It is a book of semi-autobiographical travel literature written by American humorist Mark Twain. It was written during 1870–71 and published in 1872 as a prequel to his first book *The Innocents Abroad* (1869). This book tells of Twain's adventures prior to his pleasure cruise related in *Innocents Abroad*. *Roughing It* follows the travels of young Mark Twain through the Wild West during the years 1861–1867. After a brief stint as a Confederate cavalry militiaman (not included in the account), he joined his brother Orion Clemens, who had been appointed Secretary of the Nevada Territory, on a stagecoach journey west. Twain consulted his brother's diary to refresh his memory and borrowed heavily from his active imagination for many stories in the book. *Roughing It* illustrates many of Twain's early adventures, including a visit to Salt Lake City, gold and silver prospecting, real-estate speculation, a journey to the Kingdom of Hawaii, and his beginnings as a writer.
