## **Wide Awake** Sara Mody

I will never forget that moment when I found out that the marriage I cherished dearly, was over. I have never experienced another moment that was physically, mentally, or emotionally like it. My husband, the man I trusted most in the world, looked me in the eyes and calmly told me that he had stopped loving me. Not knowing that later on, I would discover that he was not the man I had known when I married him. He was a different person. Suddenly I understood what people meant when they talked about time standing still. At that moment my entire life changed. Shocked, deeply wounded and in great pain, I was now Wide Awake. Come join me on a journey to regain my spirit and heal my soul. Testimonials “No matter the drama or crisis in your life, this book will open your eyes to the future and leave you 'Wide Awake'.
