The plan was simple. All Ember had to do was offer the billionaire a free house cleaning. From there, the young black girl could search for the source of his seemingly innumerable jewels. Surely he would never miss a few of them.

Things went wrong for the full-figured thief when she met the wealthy, older white man. Ember hadn't planned on being wildly attracted to her victim! When he found out what she had done, the punishment he offered both terrified and aroused her - especially when she realized it would be at the hands of a dragon prince...
