República y Guerra Civil en España (Spanish Edition)

AA. VV.

República y Guerra Civil en España (Spanish Edition) AA. VV.

De los ocho años que duró la República española se han escrito muchas y diversas historias. Breve fue su duración pero muy intensa su vida y más aún sus consecuencias, especialmente porque durante este periodo España vivió una guerra civil que marcó nuestra Historia. Siete especialistas, coordinados por Santos Juliá, Premio Nacional de Historia en 2005, trazan las líneas fundamentales de los aspectos políticos: desde la proclamación el 14 de abril de 1931 hasta la desolación y la derrota de las premisas republicanas por la fuerza de las armas de un nuevo Estado el 1 de abril de 1939. En 2006 se cumplen 70 años del inicio de la guerra civil y 75 años de la proclamación de la República. Todos los autores que colaboran en el volumen son especialistas y han publicado trabajos relacionados con este periodo. Su coordinador, Santos Juliá, goza de gran prestigio entre los historiadores, el público general y los medios de comunicación. Dirigido a lectores aficionados a la Historia interesados en este periodo en concreto o en la política española en general. Historiadores, periodistas.
