"*SLUT* is truthful, raw, and immediate! Experience this play and witness what American young women live with everyday."—Gloria Steinem

*Remember the slut at your school?* Whether used as a slur or reclaimed as an expression of sexy confidence, this word has been used as an acceptable excuse for rape, bullying, and the sexual double standard. In the spirit of *The Vagina Monologues*, this riveting, critically acclaimed play, written in collaboration with New York City high school students, sheds light on enduring feminist issues. The play is accompanied by production notes, a guide for talk-backs, and provocative essays by Carol Gilligan, Jennifer Baumgardner, and Jarrod Chin of Mentors in Violence Prevention (MVP), among others, providing the resources to inspire change within our communities and ourselves.

An edition of the play only (without commentary) is also available.
