J. M. Klaire

Before The Hunt (The Prequel to the Alpha Hunted Series) J. M. Klaire

When a wolf shifter with commitment issues teams up with a runaway bride to find her a new groom- the claws come out and the fur flies!

This prequel to the Alpha Hunted series takes place about nine months before Alpha Hunted: Keelyn & Bane. Meet Sandra, a runaway bride looking to provide for her widowed mother, and Naythan, a wolf shifter determined never to settle down.

This prequel was written for a winter bundle, but it is now available all by itself as a little sneak peek for Alpha Hunted fans to see how Naythan and Sandra met. It's a bit shorter than the other stories in the series, so it's a bit cheaper as well. It's a perfect jumping off story to the series, and it also introduces Bane and Mac- two hot, single shifters in this prequel who won't still be single after Alpha Hunted and Alpha Hunted 2.

Recommended Reading order:

Before The Hunt (Bonus stand-alone prequel)

Alpha Hunted: Keelyn & Bane (On Sale Now!)

Alpha Hunted 2: Bella & Mac (On Sale Now!)

Alpha Hunted 3: Ivy, David & Ryker (On Sale Now!)

Alpha Hunted 4: Enid & The King (Coming Soon!)

All can be read as stand-alones, tho the Alpha Hunted series does have an over-arching, bigger story which will conclude in Alpha Hunted 4.
