Un moteur puissant est-il vraiment indispensable ? Des jantes de 20 pouces et un cadre bien stable font amplement l'affaire. Un peu de musique forte, un half-pipe, ou au moins une petite rampe. Et tout est reuni pour realiser, au risque certes de quelques contusions, des figures spectaculaires telles que le Footjam et le Backflip (salto arriere). Nos photos vous donnent la marche a suivre. Lancez-vous ! Les calendriers Calvendo sont des produits haut de gamme - avec ces plus qui font la difference : nos calendriers presentent bien toute l'annee grace a leur papier de qualite superieure et leur reliure a spirales pour une manipulation des pages plus aisee et une tenue parfaitement droite contre le mur. Un film plastique transparent protege la couverture de ces calendriers toujours plus solides, qui se declinent desormais en cinq langues. Offrez-vous un calendrier Calvendo qui reste beau tout au long de l'annee.
