" Matt is everything that Petey is not. He is self-confident and brave. Matt is tall and masculine and athletic. He is a natural-born leader. Puppy Love is their love story, their romance. It is both a coming-of-age and coming-out story, but sexual orientation is not the primary focus. Petey struggles with his identity both as a homosexual and as a submissive. What do you do when you love someone who is truly superior to yourself in every meaningful way? How do you feel, and what if these feelings are not what everyone tells you you're supposed to feel? We are taught that every individual is equal, but what if you know, through experience, that this is not the case? What if, in a society in which everyone is supposed to be a leader, you discover that your passion, your destiny, is to submit? In Puppy Love, Petey Drinkell discovers the true nature of power, its role in sexual relationships, and his own role in the power structure. Puppy Love is perhaps the world's first gay BDSM coming-of-age novel. This erotic epic is more than classic erotica; it also challenges the fundamental assumptions we make about human relationships and democracy."
