Seven Things That God Hates & Seven Letters To Seven Churches Rev. Larry A. Brookins
Inside the pages of this book, Rev. Dr. Larry A. Brookins examines three significant contexts from the Bible that bring to the forefront how God views sin and disobedience, whether outside the church among the peoples of the world, or within the church among the congregations of the saints. It also highlights the heart of the God of both Old and New Testaments, as it relates to the life that is lived in submission and conformity to the Will of God. In *Seven Things that God Hates, Seven Letters to Seven Churches* and *Let Go of Your Neighbor's Throat* no camouflage is presented. Jesus said: "ye shall know the truth, and the truth shall make you free" (John 8:32) . The God, Who is Love, has word against the transgressor of His commandments. The goal is not condemnation but correction (see II Timothy 3:16) . The objective of divine admonition is forever? "repentance" (see II Peter 3:9) . More than anything else God desires to bless, but He will curse. More than anything else the gates of Heaven invite all, but what of the reality of Hell? The love of God is unconditional and embraces every sinner with an invitation to salvation, regardless of individual sin. But don't misinterpret divine love for acceptance of a lifestyle that displeases God and or for absolute salvation without the condition of faith and obedience. Jesus died for all, but not all will enjoy the fruit of His sacrifice.
