Disclaimer – PLEASE READ!!

This is a draft version. This is not the final version of the book. This book is currently being edited. You will find numerous problems with grammar and misused words. You will receive the final product when it is available.

This will be edited. I cannot give a timeframe for this. One of my editors bought a business and has not time to edit anything. My other editor just bought a house and is in the same boat. As an independent author I do not have the resources to pay someone, so I'm stuck.

Since this book is a draft there is no paperback version available. Once the editing is finished, I will release a paperback version.

For updates make sure to check out The Cousin Mickey Doesn't Talk About blog.

After a series of shocking Cast Member suicides, Victor Webb reaches out for help.

Eric Highland, Jose Ortega and the rest of their team start what they believe is a simple investigation. What they uncover leaves them forever changed.
