## **South** Ernest Shackleton

Best known for the heroic and successful efforts of Ernest Shackleton and his men to save themselves from the remote, frozen Antarctic after disaster destroyed their ship thousands of miles from the civilization.

Although wireless radio was available to ships at the time, the expedition's distant location made such

contact impossible, and because World War I was raging, no rescue effort ever left Britain in search of the missing crew. Notice: This Book is published by Historical Books Limited ([www.publicdomain.org.uk](http://www.publicdomain.org.uk)) as a
