The American Pageant Thomas A. Bailey

No D.J. Pages are clean binding. Blue cloth cover. We do our best to accurately describe the condition of the books that we sell but we are not the original owner of most and we are not able to go through every page so we may have missed a name or initials on the inside or a crease, store stamp or dog-eared page. Older books tend to have some degree of tanning and if we state that a book is a former library copy, expect the normal stamps and stickers that are typical for those books. These are all used books (unless otherwise specified) and although we find many that look like they have never been read, the majority have been so you can expect some wear/creasing from normal use. Our goal is for your 5 star feedback and will do everything we can to make sure you are happy with your purchase. Unfortunately, we have no control over shipping times. The best we can do is get your package to the Post Office in a timely manner, usually same day as cleared payment, or if the Post Office is closed, the next business day
