## **Reflections on Life from an Optimistic Romantic: June 2014-June 2015 (Volume 2)** Jenna Devin Homan

In 2010, I decided to start a blog. My blog was originally a place for me to display my romantic/ fairy tale short stories and poems that I had created, but it evolved into something even greater with time. I now include random reflections that I have on my ever-changing life and philosophical tidbits. It has also become a much more personal space for me. Being shy all my life, it's always been hard for me to express myself through speaking, so writing became my way of self-expression. My writing became the outpouring of my soul. In 2014, I shared with the world a collection of these reflections (ranging from May 2012-May 2014), in the form of a book. Now in 2015 I have decided to continue my reflections. I believe that my main purpose in life is to share my optimistic passion for love and the beauty of life, so that is the overall message that is conveyed through my work. So, just by reading this book and considering my thoughts, you have contributed to my purpose. Thanks so much! I really appreciate you.
